

Communication and Language

- We will be investigating our mystery box; wondering what the objects are used for and sharing our ideas
- We will be learning to ask questions at Show and Tell time
- We will be learning to talk about what we see, think and wonder when we are investigating

Personal Social Emotional Development

- We will be continuing to explore ways to show kindness
- We will be learning to think of others
- We will be learning the language to say 'please don't do that'
- We will be learning what it means to be independent, creative and resilient

Physical Development

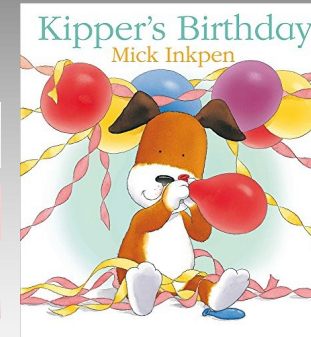

- Negotiating space: over, under and around.
- Throwing and catching
- Moving in different ways.
- We will be learning to move to music and to create a dance to tell a story and perform at our nativity

Understanding the World

- We will be exploring a mystery box of lights
- We will be thinking about how we use light in birthday celebrations
- We will be thinking about Guy Fawkes and why we celebrate fireworks night. Firework safety.
- We will be learning that lights are important in the Jewish festival of lights, Hanukkah
- We will be learning about the role of the star in the Christian Nativity
- We will be thinking about how we celebrate Christmas and how differently it is celebrated around the world.
- We will be learning to make mince pies and other traditional treats.

Lights Up!

Why are lights so important in celebrations?

Expressive Arts and Design

- We will be exploring paint effects using bright colours on black paper
- We will make Christmas decorations to sell at our Christmas Fayre
- We will be learning Christmas songs to perform at our Christmas performance.

Reading and Writing

- We will be learning to read and write 'red' words, 'the' 'to' and 'I'
- We will be blending the sounds we know to read real words
- We will be learning to use our Fred Fingers to segment words to spell them.
- We will be learning about Kipper's Birthday.
- We will be learning to write a Christmas wish list.

Maths

- We will be learning to use a five frame, a die frame and our fingers to find out how many altogether.

- We will be continuing our quest to be five experts by exploring the composition of 5; finding hidden numbers
- We will be learning to talk about time; night and day and the sequence of our days.
