

SUPERHERO ME!

Who is my superhero?

Communication and Language Let's Get Talking!

Show and Tell with a Twist!

Bring in a special photograph of your family to share with the class. Who can you spot in the picture? Where are they, and what are they doing? Let's get chatting about the people we love!

Create Your Own Storybook!

Let your imagination take flight! Tell a grown-up your very own story — it could be about anything you like — and they'll help write it down. We can't wait to hear what amazing ideas you come up with!

The Tale of the Little Red Hen

We'll dive into this classic story together — who are the characters, and what do they do? What can we learn from the Little Red Hen? Let's talk about helping others and working as a team!

From Wheat to Wonderful!

We'll explore real wheat, soft flour, and tasty bread! What does it look like? How does it feel? What do you wonder about it? Let's investigate and share all the amazing things we discover.

Physical Development – Moving, Making and Mastering Skills!

Perfect Pencil Grip

We're practising holding our pencils between our first two fingers and thumb — helping us get ready for writing with confidence and control!

Scissor Superstars

With careful hands and focused eyes, we're learning to cut along lines and shapes confidently. Snip, snip — here we go!

Forming Our Letters

As we learn new sounds in Read Write Inc. (RWI), we're practising how to form each letter correctly — building strong early writing habits from the very start.

Adventurous Movers

We'll jump, slide, roll, and move over, under and through exciting equipment — building strength, coordination and confidence with every move!

Dough Disco Time!

We're strengthening our fingers by kneading playdough and bread dough — it's squishy, fun, and perfect for getting little hands ready for writing!

Personal, Social and Emotional Development – Growing Together!

Settling In and Feeling Safe

We're learning all about the rules and routines in our new class — how to look after ourselves, our things, and each other.

Feeling safe and happy helps us learn and grow!

Kindness Counts

We'll share ideas about what it means to be kind — from helping hands to kind words. How can we take care of our friends and show respect to everyone around us?

Teamwork Time

Working with a partner helps us learn to take turns, listen, and share ideas. Whether we're building, playing, or solving a problem — we're stronger together!

Reading and Writing – Little Learners, Big Imaginations! 📖

abc Sounds to Letters

We're learning to match sounds (phonics) to letters — the very first steps to reading and writing! Every sound we learn helps us unlock a new word.

🔍 Blending Magic

Can we say the word when we hear it in parts? “C-a-t” becomes **cat**! We're practising how to blend sounds together to read simple words.

📖 Telling Stories Without Words

By looking closely at illustrations, we'll tell our own versions of stories — using our imagination and language skills to bring pictures to life.

💬 Feelings and Characters

We'll talk about the characters in our stories — who are they, what are they doing, and how might they be feeling? Let's step into their shoes!

🐔 Retelling The Little Red Hen

We'll become storytellers as we retell the tale of *The Little Red Hen*. Who helped her? Who didn't? What can we learn from her?

🔍 Reading Recipes and Instructions

Whether we're baking bread or making playdough, we'll practise following simple instructions — listening carefully, reading together, and seeing what we can create!

Expressive Arts and Design – Let's Get Creative! 🎵

🖨️ Printing Fun!

We'll experiment with different textures and materials to make exciting prints. From leaves to sponges — what patterns can we create?

🥁 Let's Make Music!

Using instruments and everyday objects, we'll create our own musical patterns and rhythms. Fast or slow? Loud or quiet? Let's listen, move, and play together!

🎨 All About Me – Self-Portraits

We'll explore paint, mix colours, and look closely at our features to paint amazing self-portraits using our own photographs. What colours can we create? What makes each of us unique?

😊😊😊😊 My Wonderful Family

Children will use their drawing skills to create beautiful pictures of the people they love. Who's in your family? What makes them special?

Maths – Let's Be Number Explorers! ✨

👉 Become a 'Five Expert'!

We'll dive into numbers up to 5 — learning to count objects carefully, read and write numerals, and use five frames to show “how many” in a fun and visual way!

🔍 Careful Counting

We're learning to count one object at a time — using our voices and fingers to keep track as we go. One number for each thing we count!

🎯 Sorting and Comparing

Let's become problem solvers! We'll sort objects by colour, size or shape, and explain how we did it. Which has more? Which has fewer?

📏 Taller or Shorter?

We'll explore height by comparing ourselves to our friends! Who's taller? Who's shorter? Let's line up and find out!

🔍 Jigsaw Challenges

We're building focus and perseverance by completing jigsaw puzzles on our own — spotting shapes, colours and patterns as we go.

🏗️ Shape Builders

We'll use 3D shapes like cubes, cylinders and cones to build strong, solid structures. What can we create?

🌍 Understanding the World – Let's Explore Together! 🌱

📖 All Kinds of Families

We love listening to stories about all sorts of families — big, small, near or far. We'll celebrate how every family is special and unique, just like us!

🏠 People Who Help Us

Let's go on a mini adventure around our school! We'll meet some of the amazing adults who help us every day and discover the important jobs they do. From the office to the kitchen — everyone plays a part!

💖 Kindness Counts

We'll share real stories about times someone has been kind to us — and talk about how we can show kindness to others too. Little acts of kindness make a big difference!

🕵️♀️ Trail Detectives

Let's follow trails and see where they lead! We'll use our senses and thinking skills to explore, spot clues, and talk about what we find along the way.

🌿 Garden Explorers

Our garden is full of wonders! What's growing out there? How can we help take care of our plants and wildlife? Let's dig in, get our hands dirty, and discover the magic of nature right outside our door.
