

Year 5/6 Home Learning

Summer Term Week 3

We have been enjoyed looking at the work you have sent us and are impressed by your hard work! Keep sharing it on the Padlet or emailing it to us. You are all awesome! Prizes will be announced on the Padlet on Friday 24th April again your actually prizes will have to wait until we return to school.

Maths

Check out the daily home learning resources at BBC Bitesize at <https://www.bbc.co.uk/bitesize/dailylessons>. If you fancy an extra challenge have a go at the code breakers, fluent in 5 and problems of the day available on the home learning page.

English

Check out the daily home learning resources at BBC Bitesize at <https://www.bbc.co.uk/bitesize/dailylessons>. Alternatively, you could get creative and write a story using one of the photos on the next page. How many writing skills can you include?

Be Active

As you have probably seen Tom Moore turns 100 next week. He challenged himself to complete 100 laps of his garden before he did. We would like you to challenge yourself to do a 100 of something. This could be laps like Tom or star jumps, burpees, squats the choice is yours. Let us know what you decide to do, how you found it and how you felt when you had completed it. Obviously you don't have to do this all in one go. You may decide to do 10 a day. You could develop your understanding of your muscles by finding which ones you have been using.

Reading

I need a new read.
Can anyone recommend one?
Please add your recommendations and reasons why you think I might like it to the Padlet

AR – Keep reading and quizzing!

Geography

Choose 5-10 items of food from your kitchen. Try to use a range from sugar and fruit to beans and herbs. Where did they come from? Can you locate them on a map? Which food came the furthest? Did any surprise you?

Spelling

Practise 20 new words from the spelling list. Maybe you could create a word search or crossword for a family member using them.

DT

Using one of the ingredients from your geography research. Investigate the country it came from and how they might have used it. Can you cook/bake a dish from its home country using it?
We would like to see recipes and any makes/bakes you do.

ART/PSHE

A picture can speak a 1000 words.

Over the past few weeks there has been lots of artwork depicting the current situation. You can find some examples on page 3 about Capt Tom Moore and the NHS. Can you design your own? You could sketch it, paint it or draw in in pavement chalks if you have them. Don't forget to send us pictures or add them to Padlet.

Photo Prompts for creative writing.

The Tiny Dragon

Where did you find it?
Why is it so small?
Where did he come from?
Do you keep your discovery a secret?
Can he grow?
What adventures do you go on?

The Path!

Where does it lead?
Who or what is at the other end?
When was it made and why?

The Forgotten Temple

Does anyone live here?
Are they friendly or hostile?
Why are you here?
Do you need to get something?
Are you lost and need help?

A picture speaks a 1000 words.
