

Year 5/6 Learning

Summer term Week 4

Your home learning continues to amaze us. We appreciate you are working extremely hard but remember you can use Padlet or the 5/6 email to chat to us. **You will need to click the PDF version of this document to access the bitesize and newsround links and Mr Stevenson's challenge!** Keep up the good work!

Maths

1. Continue with [BBC Bitesize Lessons](#)
2. Fluent in 5
3. Mrs Rabson's Codebreakers
4. TT Rockstars
5. Mr Brown's challenge questions – updated daily

Reading/SPAG/English

1. Continue with [BBC Bitesize Lessons](#)
2. AR Quizzing!
3. Children all over the world are off school, with some unable to access learning online or at all. Write a letter to one of these children. What would you tell them? Would you encourage them to work? Would you try and lift their spirits? Could you offer learning activities that don't involve computers or paper? Would you tell them about your experiences? Bonus points for including words from the spellings list!

Creativity

Watch this [newsround clip](#) and then go to <https://www.scouts.org.uk/the-great-indoors/>. There are some incredibly amazing activities you can do!

The Newsround clip shows how a jar of water, some washing up liquid and another ingredient can produce a tornado ... you will have to watch to understand.

PE

1. After your superb 100 challenge last week, this week we would like you to have a go at [Mr Stevenson's Daily Routine Challenge](#) How creative can you be?
2. If you'd like to set a routine for any of us, feel free and we'll post it on Padlet!

Topic

'The world is your oyster' is a famous saying which means you can travel anywhere you want and we all need something to look forward to!

The challenge for you this week is we would like you to work out and plan at least two trips to two countries of your choice – try and make it outside of the United Kingdom (they could be countries from your comparison a few weeks ago or countries where your food comes from)

We want you to:

- Consider whether you would fly or take a car and how long it would take.
- What essential items would you need to take to be comfortable in that country (e.g. warm clothing for a cold climate or loose clothing for a warm)
- What countries and continents you would fly over/drive through (is this possible?)
- How long you would spend flying/driving through these countries.
- What different climate zones you encounter – could you travel through more than three?
- At your desired destination, where would you stay and how would you get there?
