

Lockdown discoveries Plan – 15.06.20

Introduction (why are you writing? What has happened to the world? What has happened to animals during this time?)

Paragraph 1 (What animal are you focussing on? Where is the animal? Remember to talk about the location and what would normally be happening. Why have you chosen this picture? What is its significance? How do you think the animal is feeling/reacting to their new surroundings?)

Paragraph 2 (What animal are you focussing on? Where is the animal? Remember to talk about the location and what would normally be happening. Why have you chosen this picture? What is its significance? How do you think the animal is feeling/reacting to their new surroundings?)

Paragraph 3 (What animal are you focussing on? Where is the animal? Remember to talk about the location and what would normally be happening. Why have you chosen this picture? What is its significance? How do you think the animal is feeling/reacting to their new surroundings?)
