

Dear Mrs Smith,

I am writing this letter to thank you for taking the time to write me a letter telling me about your school experiences so far. I have missed school, seeing you and my friends so it was really pleasing to get a letter. School doesn't look that different to what I had thought but I was so impressed with the new artwork – it looks incredible! I have planted my sunflower seed in the garden and I look forward to seeing that grow over time.

Since I've been at home, I have been practising my football skills. It's hard to keep playing when I have only a football and a garden but I have been working hard on my dribbling and shooting and I can't wait to get back on to the pitch. As well as the football, I have also been playing a lot of my favourite PlayStation game and I think if we were to play online, I would possibly beat you although I know you are a good player!

Although it's been challenging learning at home, I have enjoyed using BBC Bitesize, the learning set by the teachers and also TT Rockstars. I've sent you a challenge on there so if you have time, perhaps you could challenge me back? I saw that the Year 6s have been playing a lot so when we next have a Year 5 and 6 battle, I will make sure I play more! I have also been using the spelling frame website to brush up on my spellings. If you haven't used it, I'd recommend it.

Thank you again for sending me a letter, Mrs Smith. It really helped lift my spirits. I can't wait to see you again and get back to school – hopefully it won't take too long. Take care, enjoy school and I'm sure I'll see you soon.

From

Mr Brown
